

Talia Keys  
Tal·i·a Keys

*noun*

a genre crossing multi-instrumental musical force of performing art, bringing you her brand of Soul-Funk-Rock n' Roll.

She/her, they/them

This Salt Lake City "musical powerhouse" is known for sourcing energies reminiscent to the bluesy rawness of Janis Joplin and the fire of Jimi Hendrix. Synergizing that old soul vibe with new school sounds, best described by Katie Bain as "blistering." Having been "struck by her talent, stage presence and refreshing candor." - *Insomniac: 2014 Best of Electric Forest*

Gemini Mind is a full electric solo live looping show producing big sounds, ripping guitar solos, body buzzing synth bass and drum pad with dynamic vocals and lyrics that captivate the hearts and minds of people everywhere. In addition to performing, Talia writes, produces and records original material, releasing four albums so far and is working on the fifth.

Advocating for human rights Talia uses her music to convey a message of growth, awareness and love. Promoting compassion and respect for our Earth and one another. "Music is very healing. If I can inspire just one person a show, I feel I am doing something right!" - Talia
